Dated - 29th August 2011

Block	Panchayat	50 Hamlets	Affected by flood to what extent (fully, partial, submerged)	Number of beneficiaries affected	Number of people evacuated	Number of people lost	Search & Rescue ongoing & effective	Shelter provision/refuge provided	Access possible by project team	pls fill if you have other relevant info	pls fill if you have other relevant info	pls fill if you have other relevant info	pls fill if you have other relevant info
Kaiserganj	Matrepur	Gaderian purwa	partial	137	No	No	Search & Rescue ongoing	No	yes	The District administration has established Langar camps of 7 places. Over 188979 food packets were distributed amongst displaced families and flood effective communities. Approximately 1307 peoples from 322 families were rehabilitating to safe places. Additional district magistrate, Sub divisional magistrate, teshildar were regular monitoring the Adampur Rewilla embankment as well as flood post also.	Central water board reports that water level Ghaghra is decreasing 1 cm per hours regularly. There for soil erosion has been started in huge way at Khasepur and Dhapali purwa in Baharampur gram panchayat. 155 bigha of agriculture land of kaiserganj teshile were eroded in flood river Ghaghra. Over 500 hamlets were submerged in three teashile of bahraich district.	Health department has provided medical facilities of 9124 peoples. 20177 cattle's were vaccinated by the district veterinary department in flood affected gram panchayats through organized camps. Over 20975 peoples were displaced. WATSAN and social inclusion task force members are providing chlorine tables and pure drinking water to the flood affected victims. Rest of the task force like early warning has regular contact with district disaster management cell to get update of the flood situation. All the 57 raised hand pumps of 8 gram panchayats were running in full swing.	Two people suffered from snake bite in Ahata gram panchayat. There life was saved because search and rescue task force members took action and cross the river through wooden boat and arranged for proper treatment.
